ALFREDO JEONGHYUN PARK

WEB DEVELOPER

/ ABOUT ME

I am a self-taught web developer with a passion for computers and technology. I love facing challenging tasks in order to improve and learn from each experience.
Currently studying Computer Technologies Engineering with a specialization in Artificial Intelligence and Data Science.

/ WORK EXPERIENCE

>> Web Developer & Game Designer
AVI Games | 2021
Worked together with Movimiento STEAM, an organization that encourages young people to study STEAM classes. Created the website and worked as a designer for a game called "The Coder", making young people interested in coding and the tech industry.

>> Back-end Developer
El Avión de los sueños | 2021
Worked together with a team with an objective of granting a wish to children with cancer. Worked with and stored users' data into a SQL database.
